"Where there is a Will there is a way".

I think that this proverb is about strenght of willing.

When you really want something you see a clear way to get it. ~~I find this proverb quite inspiring.~~

I find this proverb quite inspiring. Sometimes I wish someone have told me it. In a stressful situation it can help you stay optimistic. For example, if you think that you won't pass an exam, this proverb can help you stay focused on studying. Also it can be used by teachers to motivate their students to work harder.

Once my Math teacher said that I'm a smart ~~student~~ but lazy student. And she said: "If you find your way to success nobody won't stop you". That inspired me to find something I'm good at. ~~The str~~ I put all my effort every day to do something great.

Striving to make people happy \approx made me a courage voulanteer. My love to Math increased and I made up to become an engineer to make other people's life's easier.

At first the ordeal ^{of studying Math} really intimidated me. I wasn't sure what I really want but my teacher's words made me think about my way and a sense of my living.

As it is said in this proverb "Where there is a Will there is a Way" →

It means that if you have got a strive to do something and really want it you can always find a way to make it real. I agree with given proverb, because it is only you to make an effort to make your dreams come true. Also, you need to be courage to put yourself together to face and overcome these ordeals of our life. However, if you do not know how to set goals and strive for your desires, do not be intimidate to ask for help, I believe your family and friends will not be too bothered to help you.

For example, when I decided to ~~organise~~ ^{create} a book club in my school I had no idea how to do it. So, I asked my literature teacher for help and she gave me examples and plans to start my new hobby. She took my desire seriously and together we managed to ^{find} ~~organise~~ the place and ^{organise} the program for my club.

To sum up, your personal desire can lead you to success in the future.

Writing

"Where there is a Will there is a Way" is a proverb, ~~which~~ ^{that} basically says "if you ^{really} want to do something, you will find any way to do it." And that's true! If you ~~don't~~ ^{really} want to do something, you'll never ~~find~~ catch yourself finding excuses not to do it. ~~Yes~~ A few weeks ago, I found a brilliant artist on twitter, but ~~it~~ somehow, I didn't ~~like~~ repost their art and lost their account. One week ^{later} passed, I was trying everything to find them... And ^{we done} I did. I found them in another social media ~~and now~~ ^{by searching} and searching almost everywhere! But with my passion ⁴⁵ and love to their artwork I did it.

What does it have to do with you? With my example I wanted to show you a thing that explains this proverb the best: if you have enough courage, ^{you will find a} ~~you will find a~~ way to do the thing. ⁴⁶
